

# IFE Exam Workshops

## Thinking of taking IFE exams next year?

*Supported by AFRS the IFE Mid-Western branch are holding workshops for the 2014 Fire Science papers.*

**Venue:** South West Command Development Centre, Lansdown, Bath

13<sup>th</sup> Jan 2014, 09.00 am – Level 3 Cert (Technician): Fire Science

14<sup>th</sup> Jan 2014, 09.00 am – Level 3 Cert (Technician): Fire Science

15<sup>th</sup> Jan 2014, 09.00 am – Level 3 Dip (Graduate): Fire Science

16<sup>th</sup> Jan 2014, 09.00 am – Level 4 Cert (Members): Fire Science

17<sup>th</sup> Jan 2014, 09.00 am – Level 4 Cert (Members): Fire Science

*Note: The L3 Cert and the L4 Cert input are 2 day sessions and candidates will benefit from attending both days*

The sessions will be delivered by Bill Cox FIFireE, a former International President of the Institution of Fire Engineers who delivers training internationally. Many of our Branch members benefited greatly from his science over recent years and for anyone who is serious about passing the IFE Science Papers, these sessions come highly recommended.

If you are interested in attending any of these workshops please send an email to [ife.info@avonfire.gov.uk](mailto:ife.info@avonfire.gov.uk)

Detailing:

- Name & service number
- Station/dept & watch
